

ORECAP

Be a Founder: Create Great Companies

Investor Presentation Q3 2025

OCI TSXV | ORFDF OTC

OUR STRATEGY: SEED ROUND INVESTMENTS

► Critical and Precious Metals Merchant Bank

- We acquire assets, create go-public events and royalties along with some activist investing
- We provide shareholders with exposure to seed round investment in high-quality resource companies
- We focus on high-quality people & projects, and ensure they are well financed
- Our team has an established track record of value and company creation

► Spin-Outs, RTOs, IPOs

► Activist Investments

► Exits

TIMING IS EVERYTHING

- ▶ Cyclical lows in the exploration sector offer Asymmetric Investment Opportunities
- ▶ TSXV Composite Index up 40% since Jan 2025. Analogue for the resources sector.
- ▶ Orecap has capital to deploy for the right asset and team.
- ▶ Orecap has an inventory of shells for the right opportunity.

CAPITAL RAISING & PARTNERSHIPS

- ▶ Established relationships with institutional, retail and strategic investors in the Precious & Critical Metals space.
- ▶ We can structure Hard Dollar, Flow-through, Charity Flow-through financings to meet investor needs.
- ▶ We have a track record of bringing in strategic investors into our Portfolio Companies

DISCLAIMER

We are in the mineral exploration and development business. It is inherently risky, and all potential investors should be keenly aware of this.

This presentation contains forward-looking statements. All statements, other than of historical fact, that address activities, events or developments that ORECAP Invest Corp. believes, expects or anticipates will or may occur in the future (including, without limitation, statements regarding the estimation of mineral resources, exploration results, potential mineralization, potential mineral resources and mineral reserves) are forward-looking statements. Forward-looking statements are generally identifiable by use of the words “may”, “will”, “should”, “continue”, “expect”, “anticipate”, “estimate”, “believe”, “intend”, “plan” or “project” or the negative of these words or other variations on these words or comparable terminology. Forward-looking statements are subject to a number of risks and uncertainties, many of which are beyond ORECAP Invest Corp’s ability to control or predict, that may cause the actual results of the project to differ materially from those discussed in the forward-looking statements. Factors that could cause actual results or events to differ materially from current expectations include, among other things, without limitation, failure to establish estimated mineral resources, the possibility that future exploration results will not be consistent with ORECAP Invest Corp’s expectations, changes in world gold markets and other risks disclosed to the Canadian provincial securities regulatory authorities. Any forward-looking statement speaks only as of the date on which it is made and, except as may be required by applicable securities laws, ORECAP Invest Corp. disclaims any intent or obligation to update any forward-looking statement. All currency numbers are in \$CAD unless otherwise stated.
