

ORECAP

Be a Founder: Create Great Companies

Investor Presentation Q2 2025

OCI TSXV | ORFDF OTC

OUR STRATEGY: SEED ROUND INVESTMENTS

► Critical and Precious Metals Merchant Bank

- We acquire assets, create go-public events and royalties along with some activist investing
- We provide shareholders with exposure to seed round investment in high-quality resource companies
- We focus on high-quality people & projects, and ensure they are well financed
- Our team has an established track record of value and company creation

► Spin-Outs, RTOs, IPOs

► Activist Investments

► Exits

OUR TRACK RECORD

Portfolio Company	Ownership % ¹	Return ² %	Type	Cost Base	Value of Securities ³
Baselode Energy Corp.	8.0%	499%	Spin Out	\$1,499,029	\$8,982,141

Mistango River Resources Inc.	13.9%	-3.0%	Activist	\$892,000	\$864,814
Metal Energy Corp.	3.6%	-12.5%	RTO	\$205,000	\$179,375
Total Current Investments		300%		\$6,844,213	\$27,427,028

Exits	Ownership %	Return ² %	Cost Base	Value of Securities ³
Cuprum Corp. ⁴	38.0%	200%	\$1,475,000	\$4,424,823

¹ Current undiluted ownership % as of January 2, 2025.

² Return calculated based on share price as of close, January 2, 2025.

³ Value of Securities based on Realized and Unrealized Gains relative to the respective Cost Base. Current holdings may vary based on Portfolio Company and Shareholder Distributions.

⁴ In October 2024, XXIX Metal Corp. (previously QC Copper & Gold) acquired Cuprum Corp. in an all-share deal, with each Cuprum share being exchanged for 1.1538 XXIX shares. As a result, Orecap's shareholding in XXIX increased by 34,037,100.

TIMING IS EVERYTHING

- ▶ Cyclical lows in the exploration sector offer Asymmetric Investment Opportunities
- ▶ When capital is scarce, a little can go a long way
- ▶ Orecap has capital to deploy for the right asset and team

S&P/TSX Venture Composite Index

CAPITAL RAISING & PARTNERSHIPS

- ▶ Established relationships with institutional, retail and strategic investors in the Precious & Critical Metals space.
- ▶ We can structure Hard Dollar, Flow-through, Charity Flow-through financings to meet investor needs.
- ▶ We have a track record of bringing in strategic investors into our Portfolio Companies

DISCLAIMER

We are in the mineral exploration and development business. It is inherently risky, and all potential investors should be keenly aware of this.

This presentation contains forward-looking statements. All statements, other than of historical fact, that address activities, events or developments that ORECAP Invest Corp. believes, expects or anticipates will or may occur in the future (including, without limitation, statements regarding the estimation of mineral resources, exploration results, potential mineralization, potential mineral resources and mineral reserves) are forward-looking statements. Forward-looking statements are generally identifiable by use of the words “may”, “will”, “should”, “continue”, “expect”, “anticipate”, “estimate”, “believe”, “intend”, “plan” or “project” or the negative of these words or other variations on these words or comparable terminology. Forward-looking statements are subject to a number of risks and uncertainties, many of which are beyond ORECAP Invest Corp’s ability to control or predict, that may cause the actual results of the project to differ materially from those discussed in the forward-looking statements. Factors that could cause actual results or events to differ materially from current expectations include, among other things, without limitation, failure to establish estimated mineral resources, the possibility that future exploration results will not be consistent with ORECAP Invest Corp’s expectations, changes in world gold markets and other risks disclosed to the Canadian provincial securities regulatory authorities. Any forward-looking statement speaks only as of the date on which it is made and, except as may be required by applicable securities laws, ORECAP Invest Corp. disclaims any intent or obligation to update any forward-looking statement. All currency numbers are in \$CAD unless otherwise stated.
